Stop, it's the mother fucking remix

Uh, yeah, Harlem in tact  
Who in the world wanna problem with that?  
For real, I heard Harlem is back  
Who in the world wanna problem with that?

Uh, yeah, Harlem is back  
Who in the world wanna problem with that?  
You know, I heard Harlem is back  
Who in the world wanna problem with that?  
Let's go

Said, my niggaz  
Don't dance we just pull up our pants  
And do the rock away, now lean back, lean back  
Lean back, lean back, come on

I said, my niggaz  
Don't dance we just pull up our pants  
And do the rock away, now lean back, lean back  
Lean back, lean back, come on

Yo, yo, yo, yo, it's deja vu  
And the day ya'll do  
It'll be the day ya'll bleed  
Wrist minus 80 degrees

King of Harlem, ain't nobody made me leave  
Who else could take 5 years off  
Cold turkey come back and fly lears off  
Cats front leave them leaning like Smirnoff

If haters wanna hate then it's their loss  
Come up in the Rucker with all my Jake's on  
Car grills, so big you can cook a steak on  
People hear Mase call em' wanna get their mase on

You hot 16, I'm a very great song  
Been beating on the DJ before the Mase song  
You play Clark Kent you better have your cape on

Plenty homes, mansion many rooms  
My necklace, 2 ex's and 3 Bentley bulls, now, lean back

Said, my niggaz  
Don't dance we just pull up our pants  
And do the rock away, now lean back, lean back  
Lean back, lean back

I said, my niggaz  
Don't dance we just pull up our pants  
And do the rock away, now lean back, lean back  
Lean back, lean back  
(Come on)

You don't want no problems with Harlem  
You don't want no problems with the boogie down  
Bronkster  
You don't want no drama with the blond bomber  
Original don dotta of the blond bottle

The model from white America  
Then Joe the spokesperson for the Latino  
Then we got Mase back to represent  
Everything else in between including the  
Percentages of the press we don't

The best from each coast  
The mid-West to the dirty, dirty  
Even further to Miami  
All the way back to California

It would probably be best right now  
If I warned Dre to get on the horn  
And tell him about the storm coming all our way

So, tell him, pack grab a gat right now  
Get on the floor I'll wait  
Shake that ass a little more my way  
But baby, I don't dance, not that I can't  
There's a pistol in my pants

Said, my niggaz  
Don't dance we just pull up our pants  
And do the rock away, now lean back, lean back  
Lean back, lean back

I said, my niggaz  
Don't dance we just pull up our pants  
And do the rock away, now lean back, lean back  
Lean back, lean back  
(Come on)

No Judas or cowardice, that Caine's brother Abel  
Is able to stop me, nigga, not me  
Got the streets asking, damn, who can top P?  
Summer jam killed it, man, they did it all with 1 beat?

I guess, I'm bi-coastal now  
Took a down South brother to bring your boy out  
As the wheel keeps spinning  
I can hear Niggars thinking  
Crack got one hit, then he out

No, Joey bring them semi's out  
Force you and yours to pour a little Henny out  
So much rappers acting in the game  
I had to tell them put the mic away  
And run and get your Emmy's out

Lean back mother fucker  
This here's a three peat, we back at the Rucker  
It's good coke crack preach it to your brother  
The mic more rap and preach you mother fucker

Said, my niggaz  
Don't dance we just pull up our pants  
And do the rock away, now lean back, lean back  
Lean back, lean back

I said, my niggaz  
Don't dance we just pull up our pants  
And do the rock away, now lean back, lean back  
Lean back, lean back  
(Come on)

Said, my niggaz  
Don't dance we just pull out a gat  
And say blow your block away, fuck, nigga, lean back  
Lean back, lean back, lean back

I said, my niggaz  
Don't dance we just pull out a gat  
And say blow your block away, bitch, nigga, lean back  
Lean back, lean back, lean back, hey
