In Sarajevo, the vodka is Gut!
In Buenos Aires, the girls are hot
In Alabama, the niggers sing
In the green Dublin, I drunk ten beers

In the far Sidney, a kangaroo
In California, a girl so cool
Now is time to dance together
Let s drink until death!

Cosa Nostra, La Muzzarella, El Pepperoni y Tersivel

In the cloudy London, a cup of tea
In the lands of Scotland, I lost my kilt
In the Nordic winter, a girl so warm
How was she in bed? A warrior!
In Alabama, the niggers sing
In the green Dublin, I drunk ten beers
Now is time to dance together
Let s drink until death!
