Riding to war, answering the call of freedom, of justice
We shall prove our bravery today
For this we were made

Reasons? For me are too many! They lay, they killed for
centuries
Should I forget what they have done?
I am not that kind

Hear, days to come are still in the shade
So be ready to fight
Breathe, look behind, say good bye to your land
'Cause the day has come

Be strong! This fight bring us a new dawn
Is better to die in peace and free
Than to live as a slave of the Cross
Now answer the new Nation s call

Pagan Nation!
Inside every strong man, in your heart
It s your time, choose your side!
Inside every strong man, in your heart
There s no more lies, unite or die!
Hear, days to come are still in the shade
So be ready to fight
Breathe, look behind, say good bye to your land
'Cause the day has come

Pagan Nation!
Inside every strong man, in your heart
It s your time, choose your side!
Inside every strong man, in your heart
There s no more lies, unite or die!

Look at the enemy, my soldiers
This is our day and we are ready to die!

Inside every strong man, in your heart
It s your time, choose your side!
Inside every strong man, in your heart

There s no more lies, unite or die!

Pagan Nation!
