We Are the Fading Sun
Music: Lian Gerbino, Franco Robert
Lyrics: Lian Gerbino

Face me, Demon
There's no place to hide in
Thus we rise together
Fighting all...
UNITED!!!

Keep them out there
Castle's walls won't fall
Rise our shields together
Fighting all...
UNITED!!!

Tell all we'll fight
Until death far beyond this painful
Night full of tears
A new day shall come, the new Sunrise

Archers, aim up!
knock those creatures down
Swords protect the North's Gates
Fighting all UNITED!!!
We are the Fading Sun
We are all behind
We are the Fading Sun we are
We are the Fading Sun
We are all behind
We are the Fading Sun we are
We are... we are...
We are the Fading Sun

Tell all we'll fight
Until death far beyond this painful
Night full of tears
A new day shall come, the new Sunrise

We are the Fading Sun
We are all behind
We are the Fading Sun we are

We are the Fading Sun
We are all behind
We are the Fading Sun we are
We are... we are...
We are the Fading Sun
