Wake up
When will things be good enough
For you to see

All we can be

I'm sick of
Playin' games and actin'
Like we never care
Like were never there

We pay attention
For only seconds

[CHORUS]
Look at you
Look at me
There's never any us
Can't you see
All we can become
We can shine
Like the sun

If we believe that 2 stars are brighter than one

C'mon c'mon c'mon... look at you
C'mon c'mon c'mon... look at me

Listen the way we feel is not just about you or me
It's the harmony

Just give in
Cuz' together we'll be brighter than just any star
A work of art

We'll make the sky bright
We'll light it you and I

Look at you
Look at me
There's never any us
Can't you see

All we can become
We can shine
Like the sun

If we believe that 2 stars are brighter than one

C'mon c'mon c'mon... look at you
C'mon c'mon c'mon

Is it too much ask... that you put
Us first - oh

I feel like were last in our universe
And that's not where we out should be

[CHORUS] (REPEAT 2X)

C'mon c'mon c'mon... look at you
C'mon c'mon c'mon... look at me

C'mon c'mon c'mon... look at you
C'mon c'mon c'mon... look at me
