Hidden for someone to find,  
Hidden so well with a smile,  
My emptiness, and feeling alone

How did you manage to see through my soul?  
And still love the strength sides of me,  
So carefully, in all my weakness

Now, you leave me Breathless, with your eyes so  
reckless,  
'Cause I never knew that a love could be as beautiful as  
this,  
I am so defenceless; oh you leave me Breathless,  
'Cause you understand everything I am  
You leave me Breathless.

I've never been here before,  
Into a world i adore,  
Honestly, it's your kiss

Seems like we've been here forever like this,  
Lost in a moment of time,  
Just you and I, I'm falling helplessly

Now, you leave me Breathless, with your eyes so  
reckless,  
'Cause I never knew that a love could be as beautiful as  
this,  
I am so defenceless; oh you leave me Breathless,  
'Cause you understand everything I am  
You leave me Breathless

Breathless...

Oooh, you leave me Breathless  
Your eyes are reckless,  
Ooooooh...

Now, you leave me Breathless, with your eyes so  
reckless,  
'Cause I never knew that a love could be as beautiful as

this,  
I am so defenceless; oh you leave me Breathless,  
'Cause you understand everything I am  
You leave me Breathless
