I don't know what I'm gonna do  
To make you see that I'm free  
I'm free to stay, I'm free to leave  
I'm free to do what I feel  
But I'm not sure it's what I want  
I need to think it over  
When you're away I feel confused

Barabaparabara  
Yeah, yeah

What can I say, what can I do  
I wanna be beside you  
I wanna stay, I wanna leave  
I wanna know what you feel  
You need to know when you're around  
I feel secure but baby  
When you're away I feel confused
