For my love
For my love

I justify my love for you,
I'm giving all my heart to you my love
I justify my love for you,
I'm giving you my heart my soul my love

I need to know, I need to know,
I need to know how you feel
I gotta know, I gotta know
I gotta know is it real

I need to know, I need to know,
I need to know how you feel
I gotta know, I gotta know
I gotta know is it real

I need to know how you feel,
I gotta know is it real

I justify my love for you,
I'm giving all my heart to you my love
I justify my love for you,
I'm giving you my heart my soul my love

For my love
For my love

Give me love baby set me free,
I wanna feel your body next to me

You show me love, you show me love,
You show me love you give me all that I need
I wanna feel, I wanna feel,
I wanna feel your body next to me

I need to know how you feel,
I gotta know is it real

I justify my love for you,

I'm giving all my heart to you my love
I justify my love for you,
I'm giving you my heart my soul my love
