One love  
One life  
This time

Whenever the heat is rising  
Won't you come back to me  
'Cause I want you to

Whenever the night is calling  
I want to make love to you  
Like we used to do

Â 'Cause IÂ 'm strong enough to say to you  
I want you back again

I know that you (one love)  
Want me (one life)  
I know (this time)  
I know that we can make it  
I've tried to get over you  
But you belong to me  
And I belong to you

Whenever the wind is changing  
I'm not gonna run away  
Like I always do

And when your heart is breaking  
I'm gonna be right here  
Right here for you

'Cause I'm strong enough to say to you  
I want you back again

I know that you (one love)...
