Your minds intention
(there are evil people who do evil things)
Too sick to mention
(skitzoid)
The times you've hated
(skitzoid)
You can't relate
Look at your mind
And all the steps you've taken
Deep in your heart
You know that you're mistaken
You know that you're missing something within you
It makes you feel like you've got nothing to lose
Fallen in deep
You're fucking piss weak
Fallen in deep
Look at your life
And all the steps you've taken
And all the opportunitites forsaken
Why don't you find yourself a new direction
Don't let the walls close in on your intention
Fallin in deep
You're fucking piss weak
Fallen in deep
22 years of non-comprehendus
Gone all 'round the bend to comprehend this
Fuck with me left, right and centre
You see red but I see magenta
Too afraid to live
And too scared to die
Why me? why? why?
Your minds intention
Too sick to mention
The times you've hated
You can't relate
Look at your mind
And all the steps you've taken
Deep in your heart
You know that you're mistaken
You know that you're missing something within you
It makes you feel like you've got nothing to lose
Fallen in deep

You're fucking piss weak
Fallen in deep
22 years of non-comprehendus
22 years of non-comprehendus
22 years of non-comprehendus
22 years of non-comprehendus
