Aww get buck wild
Aww TE's in style
So now how the fuck you like us now
Hear the old school with the new style
It's the groove that we provide
So don't alta alta alt oh and I
Aww what the fuck am i saying
It doesn't matter coz we're just fucking playing
Oh yeah it's the shit
Oh yeah feel it
Aww awww give me control
Aww oh yeah give me control
Aww oh yeah aww give me control
Will you'll do for now
It's the latest to recreate the freak
It's the latest you could recreate the freak
