Yo what's up? leave your name and a brief message
and I'll be sure to get back
With you-peace beep!tevin I love you

Chorus:shhh break it down I don't want nobody else to
hear the sounds
This love is a private affair interrupt the flow,no they
better not
Dare
Shhh we got to break it on down

In the day time? uh,uh I think not I'd rather do you after
school
Like some homework am I gettin' you hot? in my
bedroom? no! "cause then
We have to stop i,d rather wait 'til everyone's fast
asleep then do
It in the kitchen on the table top we got to break it on
down

Repeat chorus

Candlelight? no I don't think so the crackle of the flame
will just
Spoil the flow besides,i can be your fire,baby drippin'
all over

Like a ball of wax relax and let go

Repeat chorus

I'm here to do work, baby, so what you here to do? I
know you got
Somethin' special on your mind is that true? I'm here to
do work,baby
And I wanna do it with you you say you wanna slow
jam? then listen up
Girl I wanna whisper music in your ear that'll rock your,
rock your,
Rock your world oh, what's my name, love? tevin.i,Il ask
you again
And again and again and again 'til you scream it,

scream it...

Wait a minute, shh break it down break it down what's
my name, baby?

Hear the sound this is a secret private affair nobody'll
know better

Not dare oh yeah, ya got to break it on down
