Maybe I don't deserve your affection
But I got it bad, so bad for you, yeah
So baby I need some indication
That when I give my heart, you'll give me your heart too

Could you learn to love someone?
Could you teach your heart to love?
I wonder if you could do it
'Cause I know that I could sure love you

Could you learn to love someone?
Could you teach your heart to love?
Tell me that you could do it
'Cause I wanna give my love to you

Now what can I do to make an impression
I'll die thousand times for you, baby, baby
What more you want than dedication?
Why can't you give your love to me the way I give my
love to you

Could you learn to love someone?
Could you teach your heart to love?
I wonder if you could do it
'Cause I know that I could sure love you

Could you learn to love someone?
Could you teach your heart to love?
Tell me that you could do it
'Cause I wanna give my love to you

In a world where people are longing for true love
How could anyone not know what they want
For once in your life don't be afraid to love
Don't run away from love, don't be afraid to love, baby
yeah

Could you learn to love someone?
Could you learn to love someone?
Could you open up your eyes in the end baby
Could you learn? Could you learn to love someone?

Could you learn to love someone?
Could you teach your heart to love?
I wonder if you could do it
'Cause I know that I could sure love you

Could you learn to love someone?
Could you teach your heart to love?
Tell me that you could do it
'Cause I wanna give my love to you

Could you learn to love someone?
Could you teach your heart to love?
I wonder if you could do it
'Cause I know that I could sure love you

Could you learn to love someone?
Could you teach your heart to love?
