Verse 1:

Baby don't stand there in the doorway
With all your bags ready to go
Baby sit down and let's talk this over
Oh I need to know

Hook:

What do you think you're gonna find?
Some man who will treat you sweeter
What are you looking for?
A place where grass grows greener
The world is cold out there
And I'm the one who really cares

Chorus:

Don't say goodbye girl
Take a look inside
And read my mind girl
Everything I do, I do for you
Don't leave me crying, crying no

Verse 2:

Maybe my crime is caring bout you
Yeah, wanting you close by my side
Maybe you need some space around you
Some room to fly

Hook

Chorus

Spoken:

Baby you know you mean the world to me
(You mean the world to me)
I'll never love nobody
The way that I love you
(Never love nobody)
The way it feels

When I'm close you
(Feels so good baby)
When I'm holding you, touching you
(Hey)

Hook
Chorus
