Here we go

Say, lady, can I ask you why  
You're treating me  
Like a step child  
With a future not so bright

I thought you said  
You would never be that way to me  
You said you'd never leave me  
For the rest of my life

And I believe you  
All the times you said to me  
Baby, you're always  
On my mind

I don't believe you  
So save those words you said to me  
And I'll be on my way  
I've got to say goodbye, baby

You didn't want my love  
That's what starts the pain, baby  
You didn't need my love  
I think that's your game

Goodbye, goodbye  
You'd never be that way to me  
Goodbye, goodbye  
I've got a love  
That you will never see, hey

I guess you thought you had  
Me strung out on your love  
Simply because you're  
Oh, so fine

It takes more than looks  
To steal my heart away from me  
So I'm sorry, baby  
The joke's on you this time

You didn't want me love  
You didn't want me love  
That's what starts the pain  
That's what starts the pain

You didn't want me love  
You didn't want me love  
I think that's your game

Goodbye, goodbye  
I've got to say goodbye  
I've got a love  
That you will never see

Here we go  
I'm on a rampage  
This is my stage  
'Cause I'm the T to the E  
To the V to the I to the N  
That's where it starts, here we go

Goodbye, goodbye  
I've got to say goodbye  
Goodbye, goodbye  
You'd never be that way to me

Goodbye, goodbye  
I've got to say goodbye to you now, baby  
Goodbye, goodbye  
I've got a love  
That you will never see
