It's been a while since I have had a break from worryin'  
Memories of you always creep up into my head  
And baby if there was any such a thing as wishin'  
I'd wish for you to be right next to me instead

Well, I don't blame you if you don't wanna give it  
another try  
You probably found some other guy to dry your eyes  
This situation has got me unattached within  
I don't know where my life is goin'  
Judgin' all the places that I've been baby

I need you, you need me  
Can't you see I'm goin' crazy for you baby?  
I need you, you need me  
Can't you see I'm goin' crazy for you baby?

I don't want you to think that I've been desperate  
I've just been dreamin' about your tender tender kiss  
Sometimes I sit and think about how you used to work it  
The love you give to me baby you know I miss

Oh, I don't blame if you don't wanna give it another try  
You probably found some other guy to dry your eyes  
This situation has got me unattached within  
I don't know where my life is goin'  
Judgin' all the places that I've been baby

I need you, you need me  
Can't you see I'm goin' crazy for you baby?  
I need you, you need me  
Can't you see I'm goin' crazy for you baby?

I need you baby  
Oh, I need you baby  
Oh yeah

I want you, you want me  
You got me goin' crazy  
I want you, you want me  
You got me goin' crazy

I need you, you need me  
Can't you see I'm goin' crazy for you baby?  
I need you, you need me  
Can't you see I'm goin' crazy for you?

I want you, you want me  
You got me goin' crazy  
I want you, you want me  
You got me goin' crazy

I need you, you need me  
Can't you see I'm goin' crazy for you baby?  
I need you, you need me  
Can't you see I'm goin' crazy for you baby?
