### "Impossible Dream"

To dream the impossible dream  
to fight the unbeatable foe  
to bear with unbearable sorrow  
to run where the brave dare not go

to right the unrightable wrong  
and to love pure and chaste from afar  
to try when your arms are too weary  
to reach the unreachable star

this is my quest to follow that star  
no matter how hopeless, no matter how far  
to fight for the right without question or pause  
to be willing to march into hell  
for a heavenly cause

and I know if I'll only be true  
to this glorious quest  
then my heart will be peaceful and calm  
when I lay to my rest

oh...yes.....  
oh.....yes.....

and the world will be better for this...  
that one man scorned and covered with scars  
still strove with his last ounce of courage  
to reach the unreachable... star

Hmmmm..... star
