If we all sing one song
One song of love
One song of peace
One song to make all our troubles cease
One hymn, one theme, one hope, one dream
Imagine what tomorrow would bring
If we all sing one song

If we all learn the words
Just think how great the sound would be
And since the tune is in freedom's key
One voice you'd hear, so pure, so clear
Imagine what tomorrow would bring
If we all sing one song

There's just one sun that warms our day
The same moon and stars light our way
This little ball whirling in space
It's our only home, our only place

If we all sing one song
One song of love
One song of peace
One song to make all our troubles cease
Imagine what tomorrow would bring
If we all sing one song

If we all sing one song
One song of love
One song of peace
One song to make all our troubles cease
Imagine what tomorrow would bring
Just imagine what tomorrow would bring
Just imagine what tomorrow would bring
If we all sing
If we all sing one song
