(Chorus-sing)

God bless america again
You see all the trouble that she's in
Wash her pretty face, dry her eyes and then
God bless america again

(verse 1-recite)

God, i sure do wish you'd bless america again
You know, the way you did back when it all began
You blessed her then, lord, but somehow we just took it
for granted
And we never did ask again
So, just hold her hand, god, that's all
And if she should stumble, please don't let her fall

(verse 2-recite)

You know i never did understand everything i read and
hear about what's
Wrong with america
But when you don't have a lot of book learning
I guess there's lots of things you don't understand
But let me say this, god ? she's like a mother to me
And all i am or ever hope to be, i owe to you and to
herÂ•..

(verse 3-recite)

Some of our people have forgotten your role in
america's greatness, lord
And honesty and character don't seem to count much
with our leaders
Anymore
Lord, when you were involved, america was a beacon
to the world,
And with your help, she can be again.
So please godÂ•Â•Â•Â•bless americaÂ•Â•..again.

(tag-sing)

Wash her pretty face, dry her eyes and then
God bless america again
