Do not forsake me, oh my darling  
On this our wedding day  
Do not forsake me, oh my darling  
Wait, wait along  
I do not know what fate awaits me  
I only know I must be brave  
For I must face a man who hates me  
Or die a coward, a craven coward  
Or die a coward in my grave

Oh, to be torn twixt love and duty  
Supposin' I love my fair haired beauty  
Look at that big hand movin' round  
Nearin' high noon  
He made a vow while in state prison  
Said it would be my life or hisn'  
I'm not afraid to die but oh  
What will I do if you leave me?

Do not forsake me, oh my darling  
You make that promise as a bride  
Do not forsake me, oh my darling  
Although you're grievin', don't think of leavin'  
Not while I need you by my side

Wait along, wait along  
Wait along, wait along
