Well I wake up every morning determined to find
A better way of showing my love for you
Though I rehearse each single thing I'm gonna say or do
I've gotta make you see my love is true
But everywhere I go he's already been there
And he's already said and done what I could say or do
Yes everywhere I go he's already been there but that
don't stop my loving you
[steel]
Each time I try to hold you and talk about us you don't
seem to hear a word I say
Though you respond to my embrace there's no warmth
just there
And yet you've never pushed me away
And everywhere I go...
