I think that you're the one
When every time you call me lady
I don't know what it is
That makes me feel like this just lately yeah

Those Heavenly calls
You knew I was on my own
Those Heavenly calls
We stepped into the unknown

Let me sleep
So I can dream of you
Let me sleep
So I can be with you

What's a girl to do when she's alone
with you
Don't tell me
And here we are again, yeah actin' like we're
friends
Don't help me, yeah

Those Heavenly calls
You knew I was on my own
Those Heavenly calls
We stepped into the unknown

Let me sleep
So I can dream of you
Let me sleep
So I can be with you

Let me sleep
So I can dream of you
Let me sleep
So I can be with you

Hold me close
Let me be with you
At least tonight
We'll be misunderstood

Let me sleep
So I can dream of you
Let me sleep
So I can be with you

Let me sleep
So I can dream of you
Let me sleep
So I can be with you

Let me sleep
Oh let me sleep

Let me sleep
So I can dream of you
Let me sleep
So I can be with you
