I will try when he's gone  
And I wont reminice  
About the kisses I'll miss  
I'll move on

I don't like  
What you are  
Cause you tell me I'm wrong  
When I'm just being strong  
It's so far

And I was everything back then  
I wasn't sure how this should end

Now I won't  
Fall apart  
I'll just wither away  
Cause I know that he'll stay  
In my heart

Now I know who was wrong  
But I almost forgot all the things that I'm not  
Though this took so very long

And I was everything back then  
I wasn't sure how this should end  
And I'll say no more

And I speak what is true  
There were pleasantries spoken  
Many promises broken  
Attentions they grew

And now I've had my fill  
And I'll dance on the street  
Just to prove that I'm great  
I feel I'll
