I am too easily blown away
And too easily lead astray
By a boy got that look in his eye
I get too stupid to run from the heat
Too dizzy to land on my feet
He's making the room spin
Don't know what I'm thinkin
Tonight
I'm dubbing headfirst into somethin
Better judgement's gone a runnin
Tonight, tonight

Nothing but trouble on his mind,
I come across it all the time
Not getting smarter from it
Kick myself for getting careless
Kick myself for feeling like this

E-e-easy completely, e-e-easy

He is selling me all the right stuff,
I'm sure that I can't get enough
That boy's got that look in his eyes
Well he has total control over me,
I'm falling right down at his feet
I'm drunk and I'm laughin,
It's making the room spin,
Tonight
I'm dubbing headfirst into somethin
Better judgement's gone a runnin
I'm headin straight into disaster
We all know what he is after
Tonight, tonight

Nothing but trouble on his mind,
I come across it all the time
Not getting smarter from it
Kick myself for getting careless
Kick myself for feeling like this
Kick myself for getting careless
Kick myself for getting like this

E-e-easy, completely e-e-easy
Completely e-e-easy, completely e-e-easy,
Completely e-e-easy, completely e-e-easy,
Completely e-e-easy, e-e-easy,

Nothing but trouble on his mind,
I come across it all the time
Not getting smarter from it
Kick myself for getting careless
Kick myself for feeling like this

Kick myself for getting careless
Kick myself for feeling like this
