"No Greater Love"

There is a conviction,
When you believe above,
Absence leaks from inside,
And brings you back to life again,
I fear an emptiness,
So I just seek the truth,
Then I just find myself,
Coming back to you.

Lord please guide us through our struggles tonight,
Let your presence be known here alongside of us
throughout
This time,
Let us know why we are here tonight,
It's for a purpose,
A certain reason,
Allow our hearts to know that we are here because of
our love for
The faith and what we do together as one, as well as
for you lord,
Hebrews 11:6 "But without faith it is impossible to
please him,
For he who comes to God must believe that he is,
And that he is a rewarder of those who diligently seek
him."

No greater love,
There is no greater love.

Lord bind our souls as one,
There is no greater love.

Let your presence be known.
