Verse 1:

Here we come; turn 'em loose
We've been waiting for this day
Pick a side, it's time to choose
Come early, be loud and stay
late
Get hooked (get hooked) and put 'em up
Wear orange, get up and jump
As we enter the football field
Know your fate is sealed

Chorus:

This is the fight (yeah!)
Texas fight (yeah!)
This is the fight (The Texas Fight)
We're tearin' it down
Right to the ground
Ready or not we're taking this
town
This is the fight (yeah!)
Texas fight (yeah!)
This is the fight (The Texas Fight)
There's nowhere to run
Soon you'll be done
Can't you see we've won the Texas fight

Verse 2:

Bring it on, what you got
Where's your ammunition
Ol' Smokey will smoke you out
There's no competition
Horns up (Horns up!), ready to charge
We're living loud, we're running large
Let's enter the football field
Just know your fate is sealed

Chorus (x2)
