But I'm cooler than ya jewels.

Probably seen me in the news.

You know where ya girl be.
If you wanna find me.
Baby you can google me.

You ain't even gotta ask nobody bout me.
I'm certified on the internet read about it
If you looking for me
Go and pull it up
Cause I'm a celebrity
I know you done heard of me.
You ain't even got a clue but it's so true.
They flashing them cameras
Cause baby I'm the new, new.
So if you looking for me go and pull it up
Cause I'm a celebrity

Under the word "star"
And I shine like the deuce 6's on the car. (Bling!)
