Boy you and me is like a 06' bonnie and clyde
You stuck by myside you here so im'a ride
All these feelings that's inside im'a bout to let em' show
Cause oh no baby ima never let chu go
Cause in this relationship we like john and tamara but
on the other hand
We like tro and tierra
Im'a love you 4ever i don't care what nobody say it's
young b and my boo
4ever and a day

The way you make me feel you make feel so real
When im alone wit you i don't kno what to do
Boy im really diggin you(diggin you)
Wanna keep it real wit you(real wit you)
Baby what's the deal wit you i just really wanna be wit
you

[chorus]

Boy you make me feel good
When ur not around my whole world comes down
Boy i like you i hope you like me to
I think that we could be if it was you and me
Baby don't you kow that

Remember when i first met you
You said you want me to met yah moms cause you kno
i would be something special
That's when i let chu take my heart and run wit it
Shoppin on 5th ave and trips boy we done did it you my
otha half
You call me yah sunshine
I never stress the rumors cause i know that chu all mine
In this relationship im down 100%
So baby don't chu ever forget
[U Make Me Feel Lyrics On]
[chorus]

The things you make me do you make me so crazy
The thought of loosing you makes me feel incomplete
Ooo you know you make me weak there's no more

words plan to speak
Baby won't you come wit me and let(let)it be you and
me

[chorus]

It's been a couple of yrs there's been a couple of tears
bt it never ever
Matter cause baby you still here and knowing you still
care makes me wanna
Love you for a lifetime me being with you
Im thinking its the right time maybe we can take a
cruise
Make moves to a beach match yah antique your love is
So sweet we da best couple for my life im love you the
rest say it again
I love you 2 death

[chorus]

Boy you make me feel so good (when im in your arms)
Or love will go so far no matter where u are(no matter
where u are)
When u not here i feel so empty so won't you come
here wit me
Cause your all i need

[chorus]

Ladadadada [x2]
