Teyana Taylor - Valentine Lyrics

Ooh baby
Take me to a place I aint been lately
We could do something tonight
Lets go crazy
Boy just you and me
Your friends gone hate me
Oh yeyeah yeahh

It's the rules I wanna break
And the chance you gotta take
If you wanna be
In loveeee
Baby I aint gotta fake
And your heart aint gonna break
If you come with me
Baby can we speed it up

I wanna be the girl
The girl of your dreams
And I gotta be the girl
Was he made for me
Ohohaoh
Boy can I be your girl
If you want me to be
don't be doggin me
Be my valentine
My valentine
My valentine
Yeahh

Boy use me
Come and kiss me on my neck
Give it to me
Right thereee
You told me
If you feel something when we touch
Girl excuse me
Its all me
Hey

It's the rules I wanna break
And the chance you gotta take
If you wanna be
In loveeee
Baby I aint gotta fake
And your heart aint gonna break
If you come with me
Baby can we speed it up

I wanna be the girl
The girl of your dreams
And I gotta be the girl
Was he made for me
Ohohaoh
Boy can I be your girl
If you want me to be
don't be doggin me
Be my valentine
My valentine
My valentine

I wanna spend every minute with you
You youuu
