Cant trust a friend
Thought that she was my homie
Never think that she would betray me
Shes the one thats got me in this mess im in
Goes to show you cant trust a friend
Thought that she was my homie
Never think that she would betray me
She told my man I was cheating on him
Goes to show you cant trust a friend

Cant trust a friend
Thought that she was my homie
Never think that she would betray me
Shes the one thats got me in this mess im in
Goes to show you cant trust a friend
Thought that she was my homie
Never think that she would betray me
She told my man I was cheating on him
Goes to show you cant trust a friend

Cant trust a friend
Thought that she was my homie
Never think that she would betray me
Shes the one thats got me in this mess im in
Goes to show you cant trust a friend
Thought that she was my homie
Never think that she would betray me
She told my man I was cheating on him
Goes to show you cant trust a friend

Cant trust a friend
Thought that she was my homie
Never think that she would betray me
Shes the one thats got me in this mess im in
Goes to show you cant trust a friend
Thought that she was my homie
Never think that she would betray me
She told my man I was cheating on him
Goes to show you cant trust a friend
