Why do I why do I  
Why do I why do i  
Why do I why do i

Why, why do I,  
think about, think about,  
us all the time,  
if you were not true to,  
all the things you say,  
to me when were behind close, doors,  
I cant take anymore,  
I just gotta know

Chorus

How you gonna front when you wid your friends  
Pretending you forgot the time we spent  
How you gonna act like you aint feelin me  
Im tired of your loving me secretly, secretly

How you gonna front when you wid your friends  
Pretending you forgot the time we spent  
How you gonna act like you aint feelin me  
Im tired of your loving me secretly

I wonder how you could be,  
so good to me ,  
ive been so deceived,  
when I gave you all of meâ€¦.,  
who are you, fighting for you know there,  
I cant take anymore,  
I just gotta know

Chorus

Bridge

If you really love me  
With no one above me  
Now why when your with your boys  
You don't kiss or hug me

If that's how your gonna be  
Then you don't deserve me  
So please let a girl know  
So I can move on  
So I can move on  
So I can move on  
So I can move on

Chorus
