Zip it up, Zip it up  
Zip it up, Zip it up  
Hey  
You gotta zip it up, You gotta zip it up  
Not on the first date  
What type of girl you think I am  
You gotta zip it up, You gotta zip it up  
Just because we kissed  
Don't mean your gotta get this (there comes a time in  
every girls life when ya gotta say Noo)  
Zip it up

[ Verse 1 ]

I know what'cha thinkin babe  
You wanna get in it babe  
Try ya best to get it babe  
You know I can't relate  
Boy you need to Zip it up  
If a kiss is not enough  
Then you don't want my love,  
Cause I won't give it up  
Other girls may give it up  
Cause they see you living it up  
For me its not enough  
So I ain't trippin' babe  
If you wanna kick it babe (we can kick it) there will be no  
stickin' babe (but no sticking)  
You need to zip it up (zip it up), you ain't gettin no  
tonight

[ Chrous ]

Just because your fine  
on't mean your gonna hit  
You gotta zip it up, You gotta zip it up  
Not on the first date  
What type of girl do you think I am  
You gotta zip it up, You gotta zip it up  
Just because we kissed  
Don't mean your gotta get this (just because you're

fine)  
You gotta zip it up, You gotta zip it up  
You're not the one for me  
Don't think twice  
You gotta zip it up, Zip it up

[ Verse 2 ]

I know what'cha used to babe,  
Just because I refused ya babe (nope)  
Don't mean I don't feel ya babe  
Not now a little later maybe (maybe later)  
Boy you need to Zip it up  
If a kiss is not enough  
Then you don't want my love, if ya really wanna be with  
me ( I ain't giving it up)  
You ain't gonna sleep with me, tryna get all deep with  
me (never that)  
Just let it flow naturally (right), No need to rush go nice  
and slow (slow it down)  
Just relax and slow ya roll, in time I'll letcha know  
Ooh, you ain't gettin none tonight

[ Chrous ]
