Oh Oh
Woah
Woah Woah Woah

[Verse 1 : Quana]
The vibe I'm getting
Tells me that you're ready
To just spin completely out of control
Ain't got no time for gamin'
I know exactly what I want to do with you
I wanna dance all night
The feeling is right

[Bridge 1 : Yummy]
Can you play it again
Nice and slow
'Till we're out of control
Can you hold me close
Please don't let me go
Can you take a lean
Look into my eyes so deeply
Oh Oh dance with me

[CHORUS : Yummy & Quana]
Walk wit it, Flow wit it, Stay wit it, Play wit it
Rock wit me, roll
Just let yourself fall for me
Can you just move wit it, Groove wit it
Get up on it if you really want it
Rock wit me oh
Just let yourself fall for me

[Verse 2 : Yummy]
Hey It's almost two
And I'm still into you
Seems like the party just getting started
My desire is growing
Watching you from across the room
Enjoying the view and laughing the way you move
Caught up in the moment
Just want you to get up on it

[Bridge 2 : Quana]
Can you play it again
Nice and slow
'Till we're out of control
Can you hold me close
Please don't let me go
Can you take a lean
Look into my eyes so deeply
Oh Oh dance with me

[CHORUS : Yummy & Quana]
Walk wit It, Flow wit it, Stay wit it, Play wit it
Rock wit me, roll
Just let yourself fall for me
Can you just move wit it, Groove wit it
Get up on it if you really want it
Rock wit me oh
Just let yourself fall for me

[Quana:] I'm so exited
[Yummy:] Don't you fight it
[Quana:] Go with the flow
[Yummy:] Boy don't you know
[Quana:] I'm so caught up
[Yummy:] Got me so stuck
[Quana:] Woah woah
[Yummy:] Well it's overwhelmin
[Quana:] What I'm feeling
[Yummy:] Got me hatin'
[Quana:] By his playpin
[Yummy:] Helpless scrapless
[Quana:] Please give me more than take it off this
dance floor

[CHORUS : Yummy & Quana]
Walk wit It, Flow wit it, Stay wit it, Play wit it
Rock wit me, roll
Just let yourself fall for me
Can you just move wit it, Groove wit it
Get up on it if you really want it
Rock wit me oh
Just let yourself fall for me

Walk wit It, Flow wit it, Stay wit it, Play wit it
Rock wit me, roll
Just let yourself fall for me
Can you just move wit it, Groove wit it
Get up on it if you really want it
Rock wit me oh
Just let yourself fall for me

Walk wit It, Flow wit it, Stay wit it, Play wit it
Rock wit me, roll
Just let yourself fall for me
Can you just move wit it, Groove wit it
Get up on it if you really want it
Rock wit me oh
Just let yourself fall for me

Oh uh uh
