No one else can ever  
No one else can ever  
No one else can ever

Yeah, uh  
Yeah, uh

What did I  
Do to deserve such a man so special in my life  
So many days and nights  
I get on the go while I sit and wait for mister right  
Baby, then came you

Laidback with your sexy smile  
When you move your body you just drive me wild  
If youre feeling me, baby, tell me now  
Because I want you, I want you

Baby, no one else  
Can ever want you like I do  
Im feelin love in the deepest fall, give you the  
keys and all  
You even when helped me when the beef was on

Tell me what you feel  
Cause Im feeling something real  
I feel the same way, you make the Don say  
Girl, I want you, girl, I need you

Cant you see  
How this love affair would be good for you and me  
Cause baby, I swear no other man can do  
The things that you do when you love me  
Oh, baby, youre my lifetime fantasy

So smooth, love the way you walk  
I just love to hear when you talk your talk  
So if youre feeling me, baby, let me know  
Because I want you, I want you

Baby, no one else

Can ever want you like I do  
Im feelin love in the deepest fall, give you the  
keys and all  
You even when helped me when the beef was on

Tell me what you feel  
Cause Im feeling something real  
I feel the same way, you make the Don say  
Girl, I want you, girl, I need you, babe

Slow down, love  
Dont you see me with my girl, what you thinkin it  
was  
I know youre used to seein me in the clubs  
Different chicks, sippin Cris, just a million in  
dubs  
But Ive changed, only got eyes for her  
Believe me, aint no girl dividin us  
We could maybe elope, have a baby and all  
Cause I dont wanna be a player no more

Baby, no one else  
Can ever want you like I do  
I feel the same way, you make the Don say  
Girl, I want you, girl, I need you

Tell me what you feel  
Cause Im feeling something real  
I feel the same way, you make the Don say  
Girl, I want you, girl, I need you

Baby, no one else  
Can ever want you like I do  
I feel the same way, you make the Don say  
Girl, I want you, girl, I need you

Tell me what you feel  
Cause Im feeling something real  
I feel the same way, you make the Don say  
Girl, I want you, girl, I need you

Baby...baby...baby...baby...  
Baby...baby...baby...baby... [Thanks to
