(Thalia)
No one else can ever
(Fat Joe)
You're just another winner

Who!
Yea, uh
Yea, uh
You got?
Terror!
C'mon
Uh, uh
Terror Squad!
Yea, ha ha
It's goin' down big baby!

What
Did I,
Do to deserve such a man so special in my life?
So many days and nights
Have come and gone while I didn't wait for Mr. Right
Baby there came you

.*Bridge 1*:.
Laid back with your sexy smile
When you move your body it just drives me wild
And if you're, feelin' me baby tell me now
Because I want you
I want you

.*Chorus*:.
I want you

Baby, no one else, can ever want you like I do
I'm feeling love in deepest fall
Give you the keys and all
You even held me when the beef was on
Tell me, what you feel, cuz I'm feeling something real
I feel the same way
You make the Don say "Girl I want you, Girl I need you"

.:*Verse 2*:.:

Can't
You see
How this love affair would be good for you and me
Cuz baby I swear
No other man can do
The things that you do when you love me
Oh baby you're my life turn fantasy

So smooth when the way you walk
I just, love to hear when you talk the talk
So if you're, feeling me baby let me know
Because I want you
I want you

.:*CHORUS*:.:

Baby, no one else, can ever want you like I do
I'm feeling love in deepest fall
Give you the keys and all
You even held me when the beef was on
Tell me, what you feel, cuz I'm feeling something real
I feel the same way
You make the Don say "Girl I want you, Girl I need you"
Babe

Whoo!

(Fat Joe Rap)

Slow down love
Don't you see me with my girl,
What you thinkin' it was
I know you used to seein' me in the clubs
Different chicks, sippin' Cris, just a millionaire thug
But I've changed
Only got eyes for her
Believe me
Ain't no girl dividing us
We can maybe elope, have a baby and all cuz
I don't wanna be a playa no more

Baby, no one else, can ever want you like I do
I feel the same way

You make the Don say "Girl I want you, Girl I need you"
Tell me, what you feel, cuz I'm feeling something real
I feel the same way
You make the Don say "Girl I want you, Girl I need you"
Baby, no one else, can ever want you like I do
I feel the same way
You make the Don say "Girl I want you, Girl I need you"
Tell me, what you feel, cuz I'm feeling something real
I feel the same way
You make the Don say "Girl I want you, Girl I need you"

Baby, baby, baby, baby, baby
Baby, baby, baby, baby, baby
