TS sound
Hey baby
Yeah, come on
Nadie mas podria
Joey crack the dawn Thalia
Nadie mas podria
TM
Amarte como lo hago yo
You're just another winner
Risa
Woo, yeah, umh, yeah, umh, terror
Come on, woo, oh, oh
Que paso en mi vida
Yeah
Y ahora estas aqui

What did I do to deserve
Such a man so special in my life
So many days and nights
I get on the go while I sit and wait for mister right
Baby, then came you

Laid back with your sexy smile
When you move your body, you just drive me wild
If you're feeling me, baby, tell me now
Because I want you, I want you

Baby, no one else
Can ever want you like I do
I'm feelin' love in the deepest fall, give you the keys
and all
You even when helped me when the beef was on
Tell me what you feel
'Cause I'm feeling something real
I feel the same way, you make the Don say
"Girl, I want you, girl, I need you"

Can't you see
How this love affair would be good for you and me
'Cause baby, I swear no other man can do
The things that you do when you love me
Oh, baby, you're my lifetime fantasy

So smooth, love the way you walk
I just love to hear when you talk your talk
So if you're feeling me, baby, let me know
Because I want you, I want you

Baby, no one else
Can ever want you like I do
I'm feelin' love in the deepest fall, give you the keys
and all
You even when helped me when the beef was on
Tell me what you feel
'Cause I'm feeling something real
I feel the same way, you make the Don say
"Girl, I want you, girl, I need you, babe"

Slow down, love
Don't you see me with my girl, what you thinkin' it was
I know you're used to seein' me in the clubs
Different chicks, sippin' Cris', just a million in dubs
But I've changed, only got eyes for her
Believe me, ain't no girl dividin' us
We could maybe elope, have a baby and all
'Cause I don't wanna be a player no more

Baby, no one else
Can ever want you like I do
I feel the same way, you make the Don say
"Girl, I want you, girl, I need you"
Tell me what you feel
'Cause I'm feeling something real
I feel the same way, you make the Don say
"Girl, I want you, girl, I need you"

Baby, no one else
Can ever want you like I do
I feel the same way, you make the Don say
"Girl, I want you, girl, I need you"
Tell me what you feel
'Cause I'm feeling something real
I feel the same way, you make the Don say
"Girl, I want you, girl, I need you"

Baby, baby, baby, baby
Baby, baby, baby, baby
