TS Sound (Hey baby)
Yeah, come on (Nadie mÃas podrÃa)
You want me to track the dawn ThalÃa, ah... (Nadie
mÃas podrÃa)
TM (Amarte como lo hago yo)
You're just another winner (Risa)
Woo, yeah, umh, yeah, umh, terror,
Come on, woo, oh, oh...

Que pasÃ³ en mi vida
Para merecer un amor asÃ?
Cuanto llorÃ© y sufrÃ,
DÃa y noche esperando
A que vinieras por mi
Y ahora estÃis aquÃ...

Tan galÃin que me haces vibrar
Con tu piel tostada siempre tan sensual
Y todas esas cosas que piensas hablar
Me pones sexy, sexy...

Baby, nadie mÃas puede amarte mÃas que yo
I'm feelin' love in the deepest fall, give you the keys
and all
You even when helped me when the beef was on

Dime si quizÃis este amor es de verdad
I feel the same way, you make the Don say
Girl, I want you, girl, I need you

QuÃ© no ves?
Esta historia llena de amor
Nunca tendrÃi fin
Y puedo jurar que nadie mÃas harÃi
Los juegos que inventamos a la mar
Comernos los labios hasta sangrar (Ah..)

Tan galÃin que me hace vibrar
Con tu piel tostada siempre tan sensual
Y todas esas cosas que piensas hablar
Me pones sexy, sexy...

Baby, nadie mÃas puede amarte mÃas que yo
I'm feelin' love in the deepest fall, give you the keys
and all
You even when helped me when the beef was on

Dime si quizÃas este amor es de verdad
I feel the same way, you make the Don say
Girl, I want you, girl, I need you

(Uh...) Slow down, love
Don't you see me with my girl, what you thinkin' it was
I know you're used to seein' me in the clubs
Different chicks, sippin' Cris', just a million in dubs
But I've changed, only got eyes for her
Believe me, ain't no girl dividin' us
We could maybe elope, have a baby and all
'Cause I don't wanna be a player no more

Baby, nadie mÃas puede amarte mÃas que yo
I feel the same way, you make the Don say
Girl, I want you, girl, I need you

Dime si quizÃas este amor es de verdad
'Cause I'm feeling something real
I feel the same way, you make the Don say
Girl, I want you, girl, I need you

Baby, nadie mÃas puede amarte mÃas que yo
I feel the same way, you make the Don say
Girl, I want you, girl, I need you

Dime si quizÃas este amor es de verdad
'Cause I'm feeling something real
I feel the same way, you make the Don say
Girl, I want you, girl, I need you

Baby... baby... baby... baby...
Baby... baby... baby... baby...
