I can't help all my feelings  
Of temptation  
Every time you touch me  
The way that you provoke me

I run away, just gotta get away  
Your kiss is pure seduction  
Your love is my addiction

Can't go back but I gotta let go  
Your powerful desire  
Has set my soul on fire

This world keeps turning  
My heart keeps yearning  
It's beating like a drum roll  
You make me want to lose control

My heart keeps racing  
It won't slow down  
I'm starting to get weak and I  
Don't think I can take no more

Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
'Cause all I do is think of you

My heart keeps racing  
It won't slow down  
I'm starting to get weak and I  
Don't think I can take no more

Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
'Cause all I do is think of you

Your seduction's  
A dangerous potion  
Spreads like wild fire  
All over every inch of me

There's no defense  
Your love is too intense  
I feel it in my body  
You always keep on haunting me

Your seduction's  
A dangerous potion  
Spreads like wild fire  
All over every inch of me

There's no defense  
Your love is too intense

I can feel it 'Your Seduction'

My heart keeps racing  
It won't slow down  
I'm starting to get weak and I  
Don't think I can take no more

Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
'Cause all I do is think of you

My heart keeps racing  
It won't slow down  
I'm starting to get weak and I  
Don't think I can take no more

Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
'Cause all I do is think of you

Can't you see  
What your love is doing to me?  
I can't breath, I can't sleep  
I don't know what to do

You took my heart and my soul  
Got no choice  
I'm so in love with you  
I think I'm losing my mind

Your seduction's  
A dangerous potion  
Spreads like wild fire  
All over every inch of me

There's no defense  
Your love is too intense  
I feel it in my body  
You always keep on haunting me

My heart keeps racing  
It won't slow down  
I'm starting to get weak and I  
Don't think I can take no more

Can't think straight  
And I don't know what to do  
I'm gonna lose my mind  
'Cause all I do is think of you
