Hold me close  
And hold me fast  
This magic spell you cast  
This is la vie en rose

When you kiss me  
Heaven sighs  
And though I close my eyes  
I see la vie en rose

When you press me  
To your heart  
I'm in a world apart  
A world where roses bloom

And when you speak  
Angels sing from above  
Everyday words  
Turn into love songs

Give your heart  
And soul to me  
And life will always be  
La vie en rose

And when you speak  
Angels sing from above  
Everyday words  
Turn into love songs

Give your heart  
And soul to me  
And life will always be  
La vie en rose

La vie en rose  
La vie en rose
