

Thanatopsis

"Breaking Their Chains"

Visit "[Breaking Their Chains](#)" on MotoLyrics.com

Take me to my wholesome dream
Where I'm light as a flower
Buzzing like a bee so sweet
I'll be me

Standing on the rooftop
Looking down at you
Knowing you are my cage
Feeling of wanting to break

I want to be me
I want to be free
I want to be me

I'm not gonna end my life
Without knowing who I am
I'm gonna stand up tall

Be my own man

I'm not gonna live this way
I'm breaking their chains
You too can be you
Come on with me

Take me to my wholesome dream
Where I'm light as a flower
Buzzing like a bee so sweet
I'll be me

Well it's 6 AM
And I realize then
My life I ain't livin'
Time to break this
