I can smell your scent across the room  
Makes every old day seem new  
I feel the power sensation in my mind  
Want to reach out and hold you tight

Life winged on an angel  
On my shoulder you are  
On my mind and in my heart

Oh long brown haired girl you are  
A princess in disguise, I see it all  
Stay away to the other side you do  
But me I'm closin' in on you, oh yes baby I do

Life flyin' high on a winged angel

On my shoulder you are  
On my mind and in my heart

See you in the other car  
So stuck on the other art  
But one day I'll be the picture  
That can't escape your mind

Life winged on an angel  
Life flyin' high on a winged angel  
On my shoulder you always are  
On my mind and in my heart

Winged angel carryin' me to the garden  
Where I envision you and me  
Flyin'... Flyin'
