[Music & lyrics: R. Rozz]

Digging up graves to fulfill my needs
Of my necrophilic lustful greed
Sex with the dead is what I crave
Touch the cold flesh that drives me insane

[Chorus]
Corpse Grinder
Corpse Grinder
Corpse Grinder
Grind!

Mutilated bodies piled on the floor
Returning to the site to get some more Uncontrolled
rage now takes its course
To fuck a maggot infested corpse

[Repeat chorus]

[lead:Stephan]

[Repeat chorus]
