I cannot tell you ...  
Read my mind  
Before you can dream ... die ...

Dream of the eternal one ,  
Now you see the beast ...  
Dream of the eternal beast ,  
While you run inside of me ,  
Dream fulfilled ...

They are gonna read the man.  
Repay them to fight !

Burning is my soul.  
Yes , I'm a liar !  
Searchin' in black days ,  
Fire as an answer !

War , death , pray , coward !  
Go away !  
Awake after 6 hours !

Now you see the beast ...  
Dream of the eternal beast ,  
While you run inside of me ,  
Dream fulfilled ...

They are gonna read the man.  
Repay them to fight !

Burning is my soul.  
Yes , I'm a liar !  
Searchin' in black days ,  
Fire as an answer !

War , death , pray with a ...  
Pray ... coward !  
Go away !  
Awake after 6 hours !

I cannot see anything !

An hope...

You choose another name  
You choose another flame ...

War .. !  
The devils are now , inside you ...  
Possessing you ...  
Reaching ... from ... an end.  
Making you  
What they really want

I cannot die for you  
In this dream ...

Awake  
I'm beggining to see something ...  
A little light ...  
An hope ...  
A dream...  
Awake...

I'll die for you ,  
... I suffer.

Dream of the eternal one ,  
Now you see the beast ...  
Dream of the eternal beast ,  
While you run inside of me ,  
Dream of the eternal one ...  
Dream fulfilled ... which ended.  
Dream of the eternal one ...  
Dream fulfilled ... which ended.

Dream ...  
Of the eternity !  
Eternity, eternity !  
Eternity ...  
Dream of the eternal dream !

The only dream of the eternal one.

Another side of anyone's dream ...
