Born again, Second attempt Obsessed by Hatred;
"Destroy the Jewish Race" (SOLO: ERWIN) 1940-45: the
years he swept the earth Hitler and his Nazi-scum,
Harbingers of death His body died in '45 but his soul
will never rest; His evil thoughts still live on in many
sickened minds May he never live again in one or
another form, His disgusting views are something we
all can do without, But modern-day-tyrants are
following his steps, Fascists, communists, Violent
scum, we all demand your death He'll live again, in a
megalomaniac's brain Preparing destruction, he'll
strike againâ€¦â€¦
