The Channels are opening  
Fear feels cold in my Veins  
Pumping streaming Blood  
Before my Eyes the Abyss gains

[BRIDGE:]

We have to sacrifice and praise the Name of our Lord  
We want his Soul to arise  
The Body of a God long enough he hadn't got

[CHORUS:]

WELCOME TO THE BLACK MASS - Praise the Name of  
Dagon  
WELCOME TO THE BLACK MESS - Creatures in the Sea -  
ARISE! -  
ARISE!

Someone is turning his Head  
Remarks the little praying priests  
Someone is swinging in the Darkness  
ON HUMAN FLESH now he will feast

[Repeat Bridge]

[Repeat Chorus]

Welcome Dagon - Welcome Dagon  
Welcome Dagon - Welcome Dagon  
We want his soul to Arise - ARISE!  
We want his soul to Arise - ARISE!

[Repeat Chorus]
