We are more Black than those painted kids
We hate Gothic and fukkin norsecore
We are stronger than all our "enemies"
We don't have to argue anymore - FUKK YOU!
Cause we are Godz!

[Chorus:]
GODZ OF BLACK METAL
HELL - WAR - SATAN
SACRIFICE TO YOU
GODZ OF BLACK METAL
HELL - WAR - SATAN
SACRIFICE YOUR FUKKIN SOUL!
SACRIFICE TO YOU!

We are not afraid of your murder threatenings
We are not alone as you may believe
We got our followers who honor our work
We don't have to argue anymore - FUKK YOU!
Cause we are Godz!

[Repeat chorus]

Interlude:
We are Godz! - we are Godz! - and you are nothing!
We are Godz! - we are Godz! - and you are shit!
YOU FUKKIN' ASSHOLES!

[Repeat chorus]
[Repeat interlude]
