Slaughter! - I am the king of kills  
A man with supreme instincts  
Thrills! - I am the queen of thrills  
I gonna get you cause I can more you ever think  
Teeth like arrows - a creature of the night  
A wolf with animal instincts  
I am the thrill - the thrill which knows no right  
Gonna get you cause I know all your sight

Invocation of Inperfection  
There's no salvation

I am - I am the Special one  
I am the dark lord's son - possessed by Evil  
Fulfill - fulfill my darkest rite  
I'm living for the thrill  
I live for those I killed

Faster than the shadow - the hunter of the night  
A wolf with human instincts  
I am the kill - the kill before the daylight  
I gonna get you cause I know all your mind

Invocation of Inperfection  
There's no salvation

I am - I am the Special one  
I am - I am the dark lords son- Possessed by Evil  
Fulfill - fulfill my darkest rite  
I'm living for the thrill  
I live for those I killed
