Comin' in like a landslide as fast and hard as I can
I want blood mud and poison cause' that's the nature of
man

So put your cape and your gloves on climb on top of
your roof, some kind of hero savin' me from you
I will destroy this place if I have to knockin' up
against the walls of the bathroom
I will destroy this place if I have to slammin' up
against the walls of the bathroom
Bangin' on your atom shell b-bangin' on your atom
shell
Bangin' on your atom shell b-bangin' on your atom
shell

So drag me across the pavement and tie my legs and
hands spittin' blood mud and poison cause' it's what I
am

So put your gloves and your cape on and your mask
and
your boots, beggin' for your hero but no ones savin'
you

I will destroy this place if I have to knockin' up
against the walls of the bathroom
I will destroy this place if I have to slammin' up
against the walls of the bathroom
I will destroy this place if I have to knockin' up
against the walls of the bathroom
I will destroy this place if I have to slammin' up
against the walls of the bathroom

Bangin' on your atom shell b-bangin' on your atom
shell
Bangin' on your atom shell b-bangin' on your atom
shell
Bangin' on your atom shell b-bangin' on your atom
shell
Bangin' on your atom shell b-bangin' on your atom
shell
