Lord send down some angels  
And they better have guns  
Cause everybody's crazy down here  
On everybody's drugs

Casinos, Pornos, stock shows  
Where white trash goes to die  
Hoes push carts  
Crackhead squirrels, and birds too drunk to fly

Keep dancing, it's the end of the world  
She said "Oh baby do the end of the world"  
C'mon baby it's the end of the world  
She says "Smile! Do the end of the world!"

Keep dancing to the end of the world  
She said "Oh baby it's the end of the world"  
C'mon baby it's the end of the world  
She says "Smile! It's the end of the world!"

And they send down some astronauts  
To study our bones  
Through the miles of garbage  
Beneath all the junk that we own  
Carbondating beer cans, condoms, and twinkie  
wrappers  
We was something beautiful baby  
What the hell happened

Guah!

Keep dancing, it's the end of the world  
She said "Oh baby do the end of the world"  
C'mon baby it's the end of the world  
She says "Smile! Do the end of the world!"

Keep dancing to the end of the world  
She said "Oh baby it's the end of the world"  
C'mon baby it's the end of the world  
She says "Smile! It's the end of the world!"

If you were worth it they'd skin you too

For new tennis shoes  
Or a couch that fits the motif of the living room  
And doesn't clash with your business suit

I wanna be in a museum,  
Stuffed and in a realistic position like I'm huntin  
Callin someone or buyin somethin  
Way too busy to look up and see what was comin

Guah!

Keep dancing, to the end of the world  
She said "Oh baby do the end of the world"  
C'mon baby do the end of the world  
She says "Smile! it's the end of the world!"

I want my bones kept next to someone of cultural  
significance  
Like Fonzie or William Shatner  
Yeah, somebody famous like Gilbert Godfrey or the  
dog from Frasier  
That caveman they found?  
He was a punk, I knew him in High School
