Wolves will eat the world
Leave nothing but the bone
The flesh will grow back
The people will go
Enter golden sun
Opening flowers
Drinking from pawns
Hanging around

I don't mind the sun in my eyes
The smell of the sweat
The buzz of the flies
Death comes alive
Death Coming to life

Scared and alone
Holding in close
And I'll hold her tighter
When she gets old
Fluffing our pillows
Washing ours clothes
Eating our dinner
Watching our shows

I don't mind the sun in my eyes
The smell of the rot
The buzz of the flies
Death comes alive
Death Coming to life

I don't mind the sun in my eyes
The smell of the sweat
The buzz of the flies
Death comes alive
Death Coming to tonight

The room fills with water
And I'm floating inside
I'll be alright
I'll be alright
Rooms fill with water
But I'm smiling inside

I'll be alright
I'll be alright
